14 Trust. Ko Ngahihi o te ra Patrick Bidois aku ingoa

Tēnā koutou katoa

I humbly thank you for this opportunity to become a Tumu Kaituna Responsible Trustee. I am descended from my Papa Michael John Bidois who is a beneficial owner.

I would like to become a Trustee to give back to Tumu Kaituna on behalf of my Ngati Rangiwewehi iwi and Bidois whanau. My whanau are committed to te reo me ona tikanga and the development of our Maori people.

My son and daughter are medical doctors. Like them, I want to help our people. I will make mokopuna decisions for the future, by ensuring our current Tumu Kaituna 14 owners and investments are looked after.

I would do this by bringing vast governance, business, education, tourism and health expertise alongside my experience in te ao Maori including Chair roles.

My Professional qualifications ensure I bring a clear vision of strategic thinking and commercial and Charitable acumen. My Masters degree also means I contribute strong analytical skills to Trust table decisions. However, my main qualification, is I know how to handle a tea towel on the marae! I also speak on the pae due to the recent passing of my beloved Papa.

I would be humbled to contribute to the future of Tumu Kaituna 14 Trust. The Trust values align with my personal and professional values and goals as well as the personal, business and Governance leadership roles I currently hold on various organisations.

Ma Te Atua tatou e Manaaki e tiaki. Tena koutou katoa.
